Page 1: INDEX--REVOLUTIONARY WAR SOLDIERS ABSTRACTED FROM REGISTRAR'S RECORD BOOK OF THE REV. JAMES CALDWELL CHAPTER, D.A.R., 1896-1979.

Our thanks to Helen Sayre, former Registrar, for hand-copying 49 pages of records, and to Virginia Gordon for making cards so that we could publish this index on the soldiers who are on National D.A.R. records from Jacksonville area descendants of the past. Most of the members of earlier years are now deceased, resigned, dropped or transferred.

~~If anyone is interested in receiving further information as to the national number please contact Florence Hutchison of this society. From this information a genealogical researcher can then request a D.A.R. member in their local area to order the papers for her reference. Ask for the current cost of that service from the member, as the amount has changed from time to time, and perhaps from place to place.~~ no no no

These monthly news items going out to 7 area newspapers is a way our society has of letting the public learn about our members from over the United States who have ancestral ties and perhaps living relatives in west central Illinois.

Many times we have learned that friends or relatives have written to some of them and passed on some important family history. Ours is a volunteer service society, and those of us as officers and members of the Board of Directors do not have time to do as much research as is probably necessary for an individual living away from here. Therefore, we are very appreciative when we learn that someone in our area has been helpful to our beloved members.
